Mr. Derr—

Thank you for discussing the above-referenced request with me. Per our discussion, you

have agreed to limit the scope of your request to the following documents:

1. All Records of Decision issued in connection with the Ordnance Works Disposal Areas (MOW) Site;
2. All final enforcement documents (including administrative orders, administrative settlements, and consent decrees) involving Olin or its predecessors issued in connection with the MOW Site;
3. All Five Year Reviews issued for the MOW Site;
4. A copy of all oversight invoices issued to Olin (or the group of parties including Olin) by EPA under enforcement documents issued in connection with the MOW Site and payments made in response thereto by Olin (or, if a group of PRPs including Olin made payment together, the group); and
5. Emails and correspondence received from or sent to former WVDEP official Mark Slusarski regarding the MOW Site.

You of course retain the right to supplement the request should you seek information in addition to the above. Please confirm that I've accurately captured the revised scope of your request as we discussed.

In addition, you may be contacted by a different office within EPA Region 3 regarding payment of costs to respond to this request.

Andy
